

## PREDATOR APEX PRO POOL TABLE

### The ultimate playing experience.

The Predator Pro Pool Table was designed in collaboration with Sam Billiard to create a pool table with the most consistent, solid, and ergonomic play giving players the confidence to play their best game, no holds barred.

#### KEY BENEFITS

- *Ultimate Stability*
- *Most Consistent Response*
- *Seamless Roll Accuracy*
- *Stealthy Design*

#### FEATURES

- *Double density carbon steel frame for increased stability and solid feel*
- *Innovative 28-point multi-touch leveling system for the most accurate table calibration resulting in truer rolls*
- *Hard bonded K55 Pro Speed Cushion for the most consistent response*
- *Ultra black matte Italian Laminati for an ultra-smooth, fingerprint resistant finish that reduces glare and eye fatigue*
- *Optimal shaped pockets fitted perfectly flush for consistent ball entry with a cool silver rim for visible targeting*
- *Each pocket is fitted with a dampener foam for noise reduction and prevents ball rebound*
- *25mm pure Brazilian high quality slate for precision roll*
- *Customizable integrated LED lighting in the table legs for a modern elegant touch*
- *Accented with Predator black gloss cats in a head to head challenge*
